Get Your Business on the 2027 Snowmobile Trail Map!

The **2027 snowmobile season is approaching**, and now is the time to reserve your advertising space in the **Speculator Region Snowmobile Trail Map**!

Snowmobilers bring valuable winter traffic to our region, and the trail map puts your business directly in front of visitors while they are here. Riders use the map to navigate the trails and find places to **eat, shop, fuel up, stay, and explore**. Having your business on the map is an affordable way to stay visible throughout the winter and reach customers who are already in the area and ready to spend locally.

Our high-quality, full-color map measures **20" x 29" open and 4.25" x 6.5" folded**. It includes a full advertising side plus limited advertising space on the trail-map side.

Maps are distributed **FREE to snowmobilers** through the Chamber Visitors Center, local businesses.. Unlike an online ad or social media post, riders can carry the map with them and refer to it throughout their visit, keeping your business in front of them all season long.

Advertising space is limited and available on a first-come, first-served basis.

Submit your own print-ready ad, or **we can design a simple ad for you.**

Chamber members who renew their **2027 membership** receive **25% off their total snowmobile map advertising cost.**

Please complete the form below and return it with payment by Friday, October 30, 2026.

Thank you for helping us promote local businesses, support winter tourism, and keep the Speculator Region strong year-round.

We look forward to a great 2027 snowmobile season!

Speculator Region Chamber of Commerce
Building a Better Place to Live, Work, and Play.
