

The **2026** snowmobile season is fast approaching, and now is the time to reserve your ad space in the **Speculator Region Snowmobile Trail Map**.

Our local trail map is a high-quality, 4-color publication with one full advertising side and a trail map with limited ad space on the other side. The map dimensions are 20" x 29" open and 4.25" x 6.5" folded.
Maps will be distributed to snowmobilers through our office, numerous local businesses, and trail kiosks.

This popular publication is a great way to advertise your business and support the Speculator Region.

Advertising space on the map is sold on a first-come, first-served basis. A single ad space is 2" x 3½" (business card size), and a double space is 4" x 3½". You may submit your own print-ready ad, or we'll design one for you.
We look forward to a great snowmobile season!

***Chamber Members who renew for 2026 in November save 25% of their total ad cost.**

Please complete the form below and return it, along with payment, by Friday, November 14th.

~ Please check the appropriate boxes in both sections ~

- | | |
